

## 2016 Riesling *Rheingau Germany*

Upon our first sip of the 2016 Riesling things got quiet. The twilight chirps and sounds of summertime fell silent as we softly settled back in our patio chairs and looked at each other holding a chilled glass of fresh riesling. Huge smiles covered both of our faces while shaking our head to say a silent OMG Thank God this finally arrived, this riesling is incredible.

Our 2016 riesling had a longer journey this year awaiting for the Eric Story Selections import license to approve. Another gorgeous fun-loving feinherb style riesling that will please anyone. However, the extended time sitting on its lees in tank before bottling added beautiful layers of complexity over the 2015 (which was adored by many!). Like the 2016 Rosé, the vineyards are located in the Johannisberg appellation (within the Rheingau region of Germany) which grow in loess & loamy soils. A gorgeous vineyard that is certified "Sustainable Fair 'N Green".

We're super proud to offer you one of the very best values in Riesling this year. Yes - quote us on that - it's true. Impressive, juicy, distinctly Rheingau ...y

**Classification:** QbA

**Country:** Germany

**Region:** Rheingau

**Appellation:** Johannisberg

**Details:** TA 7.4 g/L, 11.5% alcohol

**Production:** 600 cases
